Orthopedic Trauma

Dr. Ramy Noche
Primary Care
Sports Medicine

Dr. Shumaila Sarfani
Foot and Ankle
Reconstruction/
Replacement

Dear patients, associates, and colleagues,

It has been my pleasure to have served in our community for the past 43 years as an orthopedic surgeon and health care provider. With many thoughts, emotions, and feelings, I announce my retirement from my practice effective July 29th of the year 2022.

I have a great deal of respect and thanks for the patients I have served. I thank you all for allowing me to have participated in your care. To the healthcare associates and my professional physician colleagues, I have had the pleasure of working with both past and present. I would like to thank all of you for the support in patient referrals and for helping with our patient care when needed.

As of 07/30/2022, Dr. John W. Hinchey and Dr. Travis C. Burns as well as our other physician partners at Ortho San Antonio will take over your orthopedic care. Of course, you may seek medical care from another provider if you prefer. Your records can be transferred to them if you wish. Because your medical records are confidential you or your designated provider will have to approve and authorize these transfers.

If you plan to continue your care with Ortho San Antonio and do not already have another appointment scheduled, please request either Dr. Hinchey or Dr. Burns for your next appointment. If you choose to see another physician or provider, please sign a medical release and request that they fax or email this to Ortho San Antonio, we will send your records to them as your new provider. Your records will remain on file at Ortho San Antonio as well.

Over these many years, I have had the opportunity and pleasure of assisting a number of individuals and their families with their orthopedic health care needs. I appreciate your loyalty throughout these many years and will take the memories of all of these times with me into my retirement.

I will close by saying how much I have valued our relationship and extend a big thank you for your loyalty and friendship over these years.

Best Wishes, Sincerely,

(27, 2022 14:11 CDT)

Roger J. Lunke, M.D.
